

INJURY CARE ASSOCIATES
& Occupational Medicine

Injury Care Associates is Denver's newest medical facility specializing in Workers' Compensation and Occupational Medicine services. From managing on-the-job injuries to physical exams and drug screening, our team of medical professions will partner with you to keep your workforce healthy and on-the-job. At Injury Care Associates we have Level II Accredited Physicians with over 20 years' experience practicing in Occupational Medicine in the State of Colorado.

Conveniently located off I-25 and Speer Blvd., we are minutes from downtown Denver, 6th Avenue and Interstate-70. We offer free parking and accept appointments for all services from New Injury Evaluations to Drug and Alcohol Testing.

We pride ourselves on returning injured workers back-to-work and back-to-life. Come in today to see our new facility and learn more about how we partner with our patients and clients to deliver a higher level of customer service.
